**Subject: Linda Graham Chapter 7 money entitlement and exemption**

To: Honorable Bruce T. Beesley

I'm sending the courts this letter to express my opposition to the motion that allows Mrs./Ms. Graham to receive any exemption or money at all before any VICTIMS from the firm Mrs./Ms. Graham and her husband Robert Graham owned is unacceptable.

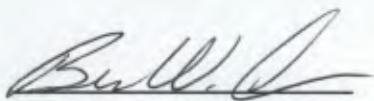

The Robert C. Graham & Associates case is still open and any exemptions or money that benefits the Debtors should be left in Trust until it is closed, which is what the Firm that Mrs./Ms. Graham and her husband should of done with my mother's estate, but didn't. Divorcing her husband should not give her exemption from creditors.

It's truly unbelievable how two attorneys can make \$300 dollars or more an hour, go through (or hide?) 17 million dollars from over a hundred VICTIMS and then be able to file (not chapter 13) but chapter 7?

I hope you can keep your mind open to the fact that Mr. Graham and Mrs. Graham are attorneys and know the ins and outs of the legal system. I do wonder what they were both doing for over a month after they closed the firm's doors before Mr. Graham turned himself in or was arrested in January.

It's very hard for me to believe that Mrs./Ms. Graham didn't know anything about what was going on for so many years with their finances.

Thank you for reading a small part of how I feel about this.
